USMAN AMER

Sales Development Representative (SDR/BDR) | Outbound Prospecting | AI Automation & Software Sales

Lahore, Pakistan | 0333-0481376 | osmanb4u2@gmail.com | linkedin.com/in/usman-amer-a11652266

PROFESSIONAL SUMMARY

Sales Development Representative with 2 years of experience in outbound prospecting, lead qualification, and closing for AI automation and full-stack development services. I build pipeline through LinkedIn Sales Navigator, Apollo, cold outreach, and Upwork, run discovery calls, and take qualified leads through to signed contracts. I consistently generate $5,000+ in qualified pipeline each month and have closed clients in telehealth, voice AI, property management, and wellness.

WORK EXPERIENCE

Business Development Representative **09/2025 – Present**

Brown Tech International *Lahore, Pakistan*

- Lead outbound sales on Upwork, finding and qualifying leads for AI projects.
- Manage the full sales cycle: prospecting, bidding, proposals, sales calls, and contract negotiation.
- Refined proposal templates and outreach sequences, improving response and client acquisition rates.
- Optimized the Upwork profile, raising the job success score and profile impressions.
- Track leads and follow-ups in Apollo and ClickUp to keep CRM records accurate.

Business Developer **01/2026 – 09/2026**

Leaptly *Lahore, Pakistan*

- Ran outbound prospecting on LinkedIn Sales Navigator and Upwork for software development and AI automation services.
- Built targeted prospect lists in Apollo, ran personalized cold outreach, and qualified leads on budget, need, authority, and timeline.
- Led discovery and sales calls, wrote proposals, and closed high-ticket contracts.
- Kept the CRM pipeline current with deal stages, follow-ups, and next steps.
- Worked with technical teams to scope requirements accurately and shorten the path from call to close.

Sales Executive **11/2024 – 08/2025**

Growlatics *Lahore, Pakistan*

- Handled inbound sales and identified cross-sell opportunities with existing clients.
- Qualified inbound leads, booked discovery calls, and managed the client onboarding pipeline.
- Partnered with delivery teams to set client expectations and support retention.
